CIRCULAR

Kind attention is invited to the para 7(viii) of the Rehabilitation Council of India Revised Manual on Assessment of Training Institutions (available on the Council's website: www.rehabcouncil.nic.in) regarding compulsory photography and videography (unedited) during assessment. It is observed that the visiting experts are submitting the joint assessment report without videography which is in contravention to the guidelines of the said manual.

In order to bring transparency in the process of granting approval to the institutions, it has been decided that the entire process of assessment will be photographed and video-graphed inter-alia covering the following:

- Building including labs, library, classrooms and other facilities
- Games & sports facilities
- Process of teaching – learning in few classes
- Group photo of the staff

The concerned Visiting Experts are requested to submit CD/DVD/Pen Drive of the above videography along with joint assessment report to this Council failing which the assessment report will neither be accepted nor entertained.
