Sub. : Confirmation of institution approved by the Council for Scholarship purpose – reg.

Madam / Sir,

As you are aware, the Rehabilitation Council was initially set up as a Society under the Societies Registration Act XXI of 1860 to have uniformity and to ensure minimum standards and quality of education & training in the field of special education and rehabilitation. It was given Statutory status by an Act of Parliament, the Rehabilitation Council of India Act, 1992 (No. 34 of 1992) dated 1st September, 1992 effective from 22nd June, 1993. The RCI Act was amended by Parliament in 2000 (No.38 of 2000) to make it broader based. The Act provides for constitution of the Rehabilitation Council of India for regulating and monitoring the training of rehabilitation professionals and personnel, promotion of research in rehabilitation and special education and maintenance of a Central Rehabilitation Register.

The Council has been receiving requests from RCI approved institutions offering Certificate / Diploma level programmes for confirmation of recognition / affiliation of institution for the purpose of scholarship to the students. In this regard, it is to inform you that the Council issues Certificate of Approval to RCI approved institution for offering programmes in Special Education and Disability Rehabilitation.

You may agree that ascertaining the authenticity through correspondence delays the process of award of scholarship to students on time. Hence, Certificate of Approval issued by the Council to respective organization may please be considered for confirmation of institution as it also contains numbers of seats sanctioned to an institution. In addition, the list of approved institutions along with courses/ programmes being offered by them are available on the Council's website <http://rehabcouncil.nic.in/writereaddata/Updated%20List%20of%20Trg%20Colleges%20January%202016.pdf> which may please be referred.

Yours faithfully,
