CIRCULAR

This has been brought to the notice of the Council at various forums by the employees of some institutions that while the upper limit of the indicated fee in the Council's Circular of even no. dated 2nd March, 2012 is being charged by the institutions for various courses, the faculty is not being paid the salary in accordance with the recommendations of 6th Pay Commission as indicated in para 2 of the terms and conditions of the said circular.

2. As non-payment of proper salary to the faculty and other staff is likely to affect the quality and standard of training programmes adversely, all the institutes conducting the RCI approved courses mentioned in the circular under reference, are once again advised to ensure that the faculty and other staff are paid the salary accordingly.
