**CIRCULAR**

**Sub:** Consideration of fresh proposal for academic session 2018-19:-reg

The Council has been receiving fresh proposals in large numbers without the State NOCs and other relevant/requisite documents, which is very difficult to process the proposals on time. Moreover, proposals received in bulk by a single organization indicate as it may compromise with quality of the course. The matter was placed before the Executive Council of RCI in its 74<sup>th</sup> meeting held on 02-02-2017. It has been now decided that the Council will **consider maximum only 02 (two) fresh proposals** received from any organization/society complete in all respect for the academic session 2018-19.
