Dated: 09/01/2017

Invitation of Bio-data to be Visiting Expert

The Rehabilitation Council of India (RCI), a statutory body, enacted by an Act of Parliament, is entrusted to regulate and monitor the training programmes in the field of special education and disability rehabilitation. RCI facilitates development of human resources in the disability sector for 16 categories of professionals allocated to it. For this purpose, a number of courses have been developed, standardised and approved at Certificate, Diploma, Degree, P.G. Diploma, Master, M.Phil and Ph.D. levels. These courses are being offered by more than 620 institutions including more than 50 universities across the country.

2. Rehabilitation professionals possessing RCI approved qualification, registered in the Central Rehabilitation Register (CRR) maintained by RCI and having minimum 02 years of experience in the area of disability rehabilitation and / or special education as Faculty / Special Educator may submit their bio-data (as per enclosed format) for considering them to include in the panel of visiting experts appointed by RCI. Application received after February 2017 may not be considered for this academic session.

3. Only e-mail copy of the bio data with scanned signature and photograph will be accepted. The bio-data may please be sent on the Council's e-mail: rehabstd@nde.vsnl.net.in **Please do not send hard copy of bio-data to the Council.**

4. Mere Submission of application/bio-data does not entitle to be appointed as visiting expert or entail a right for claiming as visiting expert. RCI reserves the right to accept/reject application/bio-data to be considered as eligible for visiting expert without assigning any reason.
