Circular

To monitor and regulate the approved training programmes in the field of disability rehabilitation & Special Education and to create awareness in the field of disability, seven ZCC has been functioning in seven zones covering 33 States since 2001. During the enactment of the RCI Act in 1992, the number of approved institutions were very few and thereafter, the number of new programmes and approved institutions have grown in geometrical progression and in recent years, activities of RCI has diversified and expanded considerably. Each ZCC was given the responsibility to undertake the Zonal activities in 04-05 states in their respective zone which has now become a task with extended field. For effective monitoring and promotion of RCI's activities in all the States, the General Council of RCI accorded approval to extend ZCC from 07 to 14 with appropriate distribution of states across the Country since 2017-18.

Accordingly, Circular on public domain of RCI was issued on 03.05.2017 and subsequent corrigendum thereafter stating the invitation of applications for nominations as Member or Zonal Coordinator of ZCC of RCI in respective zone. Last date of receipt of applications for these positions was 21st August, 2017. Council received 51 applications for Zonal Coordinator and 79 for Members.
