PUBLIC NOTICE

Attention Applicants of Registration in Central Rehabilitation Register (CRR) as Professionals/Personnel

It is for information of applicants of Registration in Central Rehabilitation Register as Professionals/Personnel that a large number of Registration Certificates issued and despatched by the Council have been returned by the postal department due to wrong or inadequate address, shifting of the applicants, etc. A list of such Certificates has been uploaded on RCI website for information of all concerned at <http://www.rehabcouncil.nic.in> under News Update heading. All such candidates whose name appear in the list may send their latest updated complete address so as to enable the Council to despatch the Registration Certificates to them. These Certificates can also be collected personally from RCI on production of valid identity card.

2. In spite of clear instructions given under Registration, many candidates are still sending the Demand Draft drawn in favour of Member Secretary, Rehabilitation Council of India instead of Rehabilitation Council of India. As a result, the application is returned to the candidates to send a fresh Demand Draft. Therefore, all the candidates are advised to send the required Demand Draft drawn only in favour of "Rehabilitation Council of India" for issue of Registration Certificate.

3. Candidates are also advised to ensure that the online application is complete and hard copy is sent immediately accompanied by all the required documents so that the Registration Certificate can be issued without delay.
