CONSULATE GENERAL OF INDIA
MUNICH

No. Mun/Com/212/1/2013

February 06, 2017

Dear *Shri Awasthi*,

I have recently taken over as the Consul General of India in Munich. It will be my continuous endeavour to further strengthen the strong all-round bilateral relations and cooperation between India & two southern States of Germany – Bavaria and Baden-Wuerttemberg. As part of this, I had visited Karlsruhe trade fair facility in the State of Baden-Wuerttemberg, Germany.

2. During my visit, I was informed about the various trade fairs that are being hosted by Karlsruhe trade fair authorities. Among the various fairs, I found REHAB 2017 trade fair of interest particularly in view of the fact that Govt. of India pays special emphasis on empowerment of persons with disability (Divyangjan).

3. REHAB 2017, a trade fair for rehabilitation, therapy, care and inclusion will be held from 11-13 May, 2017 in Karlsruhe. The fair serves as an ideal platform for the exchange of information and ideas between manufacturers, medical and healthcare supply retailers, therapists, medical professionals, nursing & care professionals, service providers, associations as well as for people with disabilities. The fair also attracts visitors like Physiotherapists, Speech therapists, Nursing and care professionals, Medical and healthcare supply retailers, orthopedic technicians among others who visit REHAB with a view to procure latest products & technology for their patients and customers. More information about the fair may be accessed at www.rehab-karlsruhe.com.

4. In your Department's continuous endeavor to empower persons with disabilities, I believe REHAB would be of great opportunity to know about the latest trends in rehabilitation technology, innovations in the assistive aids industry and new therapeutic options. I would therefore, request you to disseminate information about this fair among various associations and relevant NGOs to encourage their participation in the fair with a view to utilize the potential of the fair in the field of rehabilitation of Divyangjan.

5. You are welcome to write to us if you need any further assistance in matter.

Yours sincerely,

(Sugandh Rajaram)
