Sub. : Confirmation of institutions approved by the Council for Scholarship purpose-reg

Madam/Sir,

The Rehabilitation Council of India, a Statutory Body, enacted by an Act of Parliament (RCI Act of 1992, has been entrusted with the responsibility to regulate the training policies in programmes in the field of Special Education and Disability Rehabilitation and to maintain the Central Rehabilitation Register of professionals/ personnel for the 16 categories of professional personnel allocated to the Council. One of the important functions of the Council is to grant statutory approval to the training institutions desirous to conduct RCI approved programmes from Certificate/Diploma to M.Phil/Ph.D level. As on date the Council has strength of 680 institutes nationwide.

For the past two years, the Council has been receiving requests from RCI approved institutions offering Certificate/Diploma level programmes for confirmation of recognition/affiliation of institutions for the purpose of scholarship to the students. In this regard, it is to inform you that the Council issues Certificates of Approval to RCI approved institution for offering programmes in special education and disability rehabilitation.

In view of the above, it is to inform you that ascertaining the authenticity through correspondence delays the process of award of Scholarship to students on time. Hence, Certificate of Approval issued by the Council to respective organization may please be considered for confirmation of institution as it also contains number of seats sanctioned to an institution. In addition, list of approved institutions along with courses/programs being offered by them are also available on the Council's website at http://rehabcouncil.nic.in/writereaddata/recog_inst17.pdf, which may please be referred.

Yours faithfully,
