All the RCI approved institutions

Subject: RCI Publications

Madam/Sir,

The Council had brought out a comprehensive book entitled “**Status of Disability in India–2012**” containing latest information, data and statistics on the status of disability in India covering all the major disabilities like Autism, Cerebral Palsy, Hearing Impairment, Mental Retardation/Mental Illness, Visual Impairment, Locomotor Impairment, Spinal Injuries etc. It would be a very useful reference book for professionals, researchers, libraries, universities, etc. The book is priced at ₹800/- (Rupees eight hundred only).

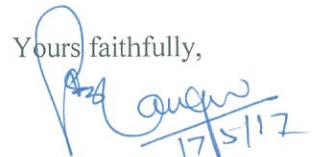

2. The Council had requested all the approved Institutions vide circular letter No. 7-14/SOD/2011-RCI dated 9th May 2014 to purchase at least one of the book on Status of Disability in India–2012 for their Library. However, the response of the approved institutions for purchase of the book has not been very encouraging. Since this is a very important reference book in the field of disability, rehabilitation and special education, all the approved institutions are expected to keep atleast one copy of the book in their library for use by the students, faculty, researchers, persons with disabilities etc.

3. The Council, therefore, once again requests all the approved institutions to place order for purchase of the book from the Council in person or by sending a Demand Draft (DD) drawn in favour of “**Rehabilitation Council of India**” payable at New Delhi or payment through NEFT/RTGS to the Council’s Bank Account (given below) immediately before the stock lasts.
